APPLICATION PROCESS FOR NEW STUDENTS

HOW TO APPLY

New students are required to discuss their study plans with the Dean before submitting application forms. Email dean@gsc.ac.nz

Returning students enrol online in Moodle without the need to contact the Dean. Go to <http://www.gsc.ac.nz/moodle2/>

NEW STUDENTS

1. Consider study options

- Choose your programme of study (*outlined on the next few pages*)
- Determine whether you meet the admission requirements (*page 9*)
- Select papers of interest (*page 10*)

2. Contact the Dean of Studies dean@gsc.ac.nz

You are required to confer with the Dean, Michael O'Connor. You may be asked to attend an interview or to discuss your study plans by email or over the phone.

3. Complete the Application Forms

Ensure you provide correct and complete information as it is the basis upon which your application will be assessed.

You must complete and return all five forms. The good news is that this only has to be done *once* because in subsequent semesters there is a simple one-page online enrolment.

Include Supporting Documents

It is important that you send supporting documents with your application forms to prove you meet admission requirements.

Proof of identity: Passport/ Birth certificate. If the name on your application doesn't match the name on your birth certificate or passport you must also provide your marriage certificate or deed poll.

Evidence of citizenship or residency

If you are not born in NZ and you do not have a NZ passport you must provide other evidence of residency e.g. Student Visa or Work Visa.

Passport sized photograph: post / email.

Previous Academic Study

If applying to study towards the Graduate Diploma you must provide a certificate as evidence that you've attained a degree level qualification. This is proof that you meet admission requirements.

If seeking credit for previous study an academic transcript is required.

Have your documents been certified?

We only accept documents that have been certified as true copies of the original. You can either take the original document to a Justice of the Peace to have the originals witnessed, *or* bring the originals to Good Shepherd College where we can certify them for you.

4. Pay the \$100 Enrolment Deposit

A non-refundable deposit of \$100 is payable when you submit your application. If you enrolled after the closing date a **Late Enrolment Fee** will be added to your invoice.

5. A week after the date that enrolments close we'll let you know if your application has been successful.

6. **Advise** maree@gsc.ac.nz if you accept the place offered.

7. Pay course fees

In the first week of the semester the College posts invoices outlining total fees to be paid (including a Late Enrolment Fee if you enrolled after the closing date).

Good Shepherd College offers two awards.

1. Graduate Diploma in Theology (GradDip)
2. Bachelor of Theology (BTh)

You must be admitted to a programme to take papers. If you want to complete individual papers and are not interested in working towards a full qualification, this is not an option at Good Shepherd College.

1. GRADUATE DIPLOMA IN THEOLOGY

Must have

2 year
minimum if
by-distance

The Graduate Diploma in Theology (GradDip) requires the completion of eight papers that takes at least one further year of full-time study or the equivalent part-time. In NZQA speak it is a level 7 award of 120 credit points.

The Graduate Diploma is an undergraduate diploma – it is not postgraduate.

Criteria for Admission

To apply for the Graduate Diploma students must have already attained a degree level qualification.

The Graduate Diploma can also be added as a further qualification for those who have a Bachelor of Theology degree.

Paper selection

Papers can be selected without having the need for pre-requisites. Read more about the structure of the diploma on page 8.

Structure of the Graduate Diploma

The Graduate Diploma of Theology is deliberately a very flexible award that requires the completion of eight papers, five of which must be at stage 3.

The Diploma recognises that previous tertiary study enables students to begin with higher level papers without the need for prerequisites i.e. you can select a stage 3 paper without the need to complete the lower (stage 1 or 2) papers.

Any combination of papers can be selected provided you include the compulsory paper T7101, Introduction to Theology (or equivalent).

While there is no recommended programme the College encourages some Biblical Studies papers.

MODE OF STUDY

Students can study either part-time or full-time. Full-time study is not available to distance students as detailed in the table.

	On-campus	Distance
<i>Part-time</i>	1, 2 or 3 papers per semester	1 or 2 papers per semester
<i>Full-time</i>	4 papers per semester	Not available

STRUCTURE OF THE QUALIFICATIONS OFFERED

It's important to understand the structure of your programme of study to ensure you choose papers that meet programme requirements and your study interests. This also avoids finding out later that the papers you completed cannot be counted towards your degree or diploma.

The Planning Chart on the next page shows you what the rules are for the Bachelor of Theology degree. The plan for the Graduate Diploma can be found on page 8.

Be sure to take a close look at the subject area (e.g. Theology) from which you select your papers and the study level of each paper.

2. BACHELOR OF THEOLOGY

A Bachelor's degree takes a minimum of three years to complete. In NZQA speak it is a level 7 award of 360 credit points or 24 papers.

A full-time student does 120 credits in a year. That is four papers each semester. All of our papers are the same size, 15 credit points. 4 papers x 15 credits = 60 credits in a semester.

There are two semesters in a year 60+60=120 credit points.

Part-time or distance students will take longer to complete the degree. Refer to the mode of study table on the previous page for more details.

Admission Requirements

Available to candidates who have attained university entrance or are 21 years or over.

Paper selection

Care must be taken to select papers that satisfy the strict requirements outlined in the planning chart on page 5.

Structure of the Bachelor of Theology

The Bachelor of Theology is a structured degree that consists of 24 papers. As part of your degree you will need to complete two majors and one sub-major.

It is important to understand the components that make up the structure of the degree and how they fit together when you plan your studies, particularly when selecting your Second-Major.

The regulations require students to:

1. Take Theology as a Compulsory First-Major

- Complete 6 papers to achieve the major.
- Complete not more than two stage 1 papers e.g. T71XX. At least one stage 3 paper e.g. T73XX

2. Choose a Second-Major

- Choice of either Humanities in the Christian Tradition (*Option A*) or Christian Life and Ministry (*B*).
- 6 papers are required to complete the Second-Major you choose.
- Refer to the numbered points on the chart over page for regulations on paper selection to achieve the second major.

3. Take Biblical Studies as a Compulsory Sub-Major

- 4 papers must be completed at the study level specified on the next page.

STUDY PATHWAYS - BACHELOR OF THEOLOGY

A Bachelor of Theology degree requires you to have certain subjects in it.

1. Theology (also called Systematic Theology) which is a bit like advanced Religious Studies. You have to do six theology papers to complete your compulsory First-Major. Shown below is a study pathway for Theology.
2. You also need to know about Scripture. So you have to do four Biblical Studies papers to complete your compulsory Sub- Major. The study pathway for Biblical studies is shown on the next page.
3. Plus there are a bunch of other subjects from which you choose your Second-Major and this enables you to tailor study to your interests. Refer to the planning chart for details.

For possible pathways for your Second-Major go to <http://www.gsc.ac.nz/course-papers/>

In the study pathways you'll notice that the "entry-level" papers are at stage 1. The stage 2 papers expect you to have done the stage 1 in that subject area, and so on for stage 3 papers.

If you are confused at any stage of your studies as to what is the best way forward, just ask. We keep track of each individuals progress and we are very happy to provide course advice.

ADVICE ON SELECTING PAPERS

This section assists you in selecting the right papers that meet the requirements of the degree or diploma you're studying towards.

Entry-level papers are at stage 1. They assume no prior knowledge (well they assume that you have been through secondary school and have University Entrance or its equivalent). There is usually one stage 1 paper in each subject area, often with a title like "Introduction to ..."

A **Bachelor of Theology** has pre-requisites for papers above stage one .i.e. papers that must be completed before further study in the subject area of interest can be taken. Stage One papers are your starting point. There is usually one stage one paper in each subject area. The stage 2 papers expect you to have done the stage 1 in that subject area.

The **Graduate Diploma in Theology** recognises that previous study enables the student to begin with higher-level papers without the need for pre-requisites. You can choose any combination of papers provided you include T7101 and complete five papers at stage 3.

Paper Codes

Paper codes all start with a letter that identifies the sub-discipline they belong to. For example, **B7110** is **Biblical Studies**. All our courses are at undergraduate level i.e. Level 7, the first number e.g. **B7110**. The second number represents the different study levels. **100s** – Stage I or 1st level course, **200s** – Stage II or 2nd level course, **300s** – Stage III or 3rd level course. The last two digits identify each paper

If your complaint is not resolved, contact the NZ Qualifications Authority. You can submit your complaint query on the NZQA website, or send an email to gadrisk@nzqa.govt.nz

DISTANCE STUDENTS

Good Shepherd College runs a blended learning environment which means that distance learning runs in parallel with the on-campus class.

- Start and finish the semester in step with the on-campus course.
- The class follows the normal semester timetable, including breaks as outlined in the Academic Calendar.
- Students do not need to buy textbooks (*unless advised by the lecturer before they enrol*), as readings are available online as pdfs or e-books.

- It's no longer necessary for course material to be posted as it's available to online in Moodle, the College's learning site <http://www.gsc.ac.nz/moodle2/>
- Distance students are tested and graded just like on-campus students i.e. marked assessment tasks throughout the semester that make up your final grade, possibly including an exam scheduled in exam week.
- All students should expect to complete the course and submit assessment materials within the semester.
- Papers are completed each semester.

Support from your lecturer

Your lecturers are there to:

- Help you through your coursework.
- Ensure you've understood material.
- Check your progress and provide feedback.
- Mark and return graded assessments.

Always ask for help if you need it.

Your lecturers' details and contact times can be found in the Course Unit Booklet located at the top of every course page in the Moodle learning website.

Extra Support for Distance Students

The Distance Coordinator is there to help distance students succeed by ensuring they are able to connect and engage online successfully when using the online learning site, Moodle. Email support@gsc.ac.nz

Online Attendance

For distance students attendance is met by completing online tasks during the week specified. An Attendance Register is kept by the lecturer who marks the completion of online tasks each week. You can miss *no more* than 2 weeks of tasks otherwise you will fail the paper, regardless of how well you've been doing at assessment tasks.

ACADEMIC EXPECTATIONS

How much time should be set aside?

For each paper, plan for 10 hours per week on coursework and associated study, including 3 hours of lectures each week for on-campus students. (Distance students should allocate 3 hours to reading/watching the lecture notes).

Where do I find the course syllabus?

Lecturers provide the course syllabus in the first week, referred to as the Course Unit Booklet. It outlines course goals/learning outcomes, provides a description of graded assessment work (with due dates) and lists recommended readings.

How do I get hold of learning materials?

Moodle is the College's web-based learning site and each week *both* distance and on-campus students go there to read course material and do tasks set by their lecturer.

To use Moodle all you really need is access to a computer able to run a broadband internet connection and sufficient computer skills to:

- Send and receive emails.
- Open word, pdf, PowerPoint, video files.
- Type assignments in Word.
- Reply to the lecturers' questions in either a forum or quiz format in Moodle.
- Hand in and collect your assignment online

Library Resources

GSC students have access to two Libraries.

- The Colin Library - at GSC College
- The Veech Library - in the Catholic Institute of Sydney, Australia

These libraries offer:

- Catalogues
- Print and Electronic Books
- Print and Electronic Journals
- Databases

How are courses assessed?

Papers are completed each semester.

There are usually three marked assessment tasks each semester that make up your final grade – although some courses may have four.

Graded assessment tasks may be:

- Internal assessment only (e.g. essay, critical review, presentation) that are scheduled throughout the semester.
- A combination of internal assessment during the semester and an examination held in exam week at the end of the semester.

If exams are part of your assessment, it's essential that you are available to sit them on the day they're scheduled within exam week. Refer to the Academic Calendar.

What if I miss a few lectures or weekly tasks?

While there is leeway to miss a few lectures (or online tasks if you're a distance student), students who do not meet the **minimum 80% attendance requirement** will fail the paper, regardless of how well they have been doing at the assessment tasks. This is one of the requirements placed upon Good Shepherd College as a government-funded Tertiary organisation.

On-campus students are to be present for at least 29 hours of lectures i.e. absent for *no more* than 7 hours of lectures.

Distance students need to complete at least 10 (out of a total of 12) online tasks in the week their lecturer set them. i.e. miss *no more* than 2 weeks.

COURSE PLANNING AND CHANGING YOUR ENROLMENT

Course Planning Advice

You have the option of discussing your plans with an advisor who can answer any questions you may have about your course selection and whether it meets programme requirements.

Holy Cross seminarians are to contact:

Br Mark McKeon

pastoral@holycross.org.nz; 09 360 6754

All other students contact Fr Michael O'Connor dean@gsc.c.nz

Changing your enrolment

At the start of each semester you can drop, swap or edit your courses by advising the Registrar registrar@gsc.ac.nz before the deadlines below expire.

If you are dropping a course you will also be asked to complete a Withdrawal Form provided by the Registrar.

The following will NOT be accepted as formal notice of changing your enrolment:

- Not paying your fees
- Ceasing to attend lectures
- Verbally advising a member of staff

Failure to notify the Registrar could result in the following that we all want to avoid.

- Receiving a fail grade on your academic record.
- Not receiving grades for papers you studied all semester BUT are not formally enrolled in.
- Invoiced for papers you did not study.

Things to consider before changing your enrolment

You are advised to seek advice from StudyLink www.studylink.govt.nz to discuss the implications that changing your enrolment may have on your entitlement to financial support. Particularly if you are dropping papers and rely on income from StudyLink that is based on you maintaining your full-time status.

If you are an international student, find out whether dropping a course has implications for your Study Visa. You can also contact Mons. Brendan Daly for guidance. brendan.daly@xtra.co.nz

Can I withdraw after the deadline?

As the Bachelor of Theology and Graduate Diploma awards are both NZQA and TESQA accredited these deadlines are unable to be extended.

If you are outside the deadline to withdraw without penalty, you will get a fail grade and will not receive a refund.

For these reasons, try to persevere to complete and pass the course if at all possible. Changes to your programme next semester can be made if necessary.
