

Enrolment Guide 2020

Semester One 2020

EDITED 16/09/19

WELCOME

You might have heard that Good Shepherd College and The Catholic Institute will become a single tertiary organisation from 1 January 2020.

It is very important to understand that what you sign up for will not be changing.

The creation of the new Catholic tertiary education provider will not affect the courses you are to enrol in, the qualification you are working towards or your overall learning experience.

Over time, the change will lead to a better resourced and more capable single organisation, which reflects a renewed commitment by the New Zealand Bishops to a strong, adaptable and contemporary Catholic tertiary organisation in Aotearoa New Zealand.

Should you have any queries relating to this, or anything else to do with your studies, please do not hesitate to contact us.

Thank you for making the commitment to study with us.

With best wishes,

Mr Gerald Scanlan
Director, The Catholic Institute

HOW TO APPLY

New students are required to discuss their study plans with the Dean before submitting application forms. Email dean@gsc.ac.nz

Returning students enrol online in Moodle without the need to contact the Dean. Go to <http://www.gsc.ac.nz/moodle2/>

NEW STUDENTS

1. Consider study options

- Choose your programme of study (*outlined on the next few pages*)
- Determine whether you meet the admission requirements (*page 11*)
- Select papers of interest (*page 12*)

2. Contact the Dean of Studies

Once you have decided upon a programme of study you are required to confer with the Dean of Studies, dean@gsc.ac.nz

You may be asked to attend an interview or to discuss your plans by email or phone.

The Dean needs to make sure you can achieve the academic standards of the qualification. Factors considered include your academic history, previous experience and other relevant information.

Candidates are required to make contact with the Dean before submitting their application.

3A. Complete the Application Forms

Ensure you provide correct and complete information as it is the basis upon which your application will be assessed.

You must complete and return all five forms. The good news is that this only has to be done *once* because in subsequent semesters there is a simple one-page online enrolment.

3B. Include documents with Application Form

It is important that you send supporting documents with your application forms to prove you meet admission requirements.

Proof of identity: Provide either a passport or birth certificate. If the name on your application doesn't match the name on your birth certificate or passport you must also provide a marriage certificate or deed poll.

Evidence of citizenship or residency

If you are not born in NZ and you do not have a NZ passport you must provide other evidence of residency e.g. Student Visa or Work Visa.

Passport sized photograph

Post, email or take photos at the College.

Previous Academic Study

If applying to study towards the Graduate Diploma you must provide a certificate as evidence that you've attained a degree level qualification. This is proof that you meet admission requirements. If seeking credit for previous study an academic transcript is required.

Have your documents been certified?

We only accept documents that have been certified as true copies of the original. You can either take the original document to a Justice of the Peace to have the originals witnessed *or* bring the originals to Good Shepherd College where we can certify them for you.

4. Pay the \$100 Enrolment Deposit

A non-refundable deposit of \$100 is payable when you submit your application. If you enrolled after the closing date a **Late Enrolment Fee** is added to your invoice.

In Person	Pay by cash or cheque. Eftpos is not available.
Cheque in the post	Make out the cheque to Good Shepherd College
Internet Banking	Good Shepherd College Account 02-0200-0299983-000

5. Outcome of your application.

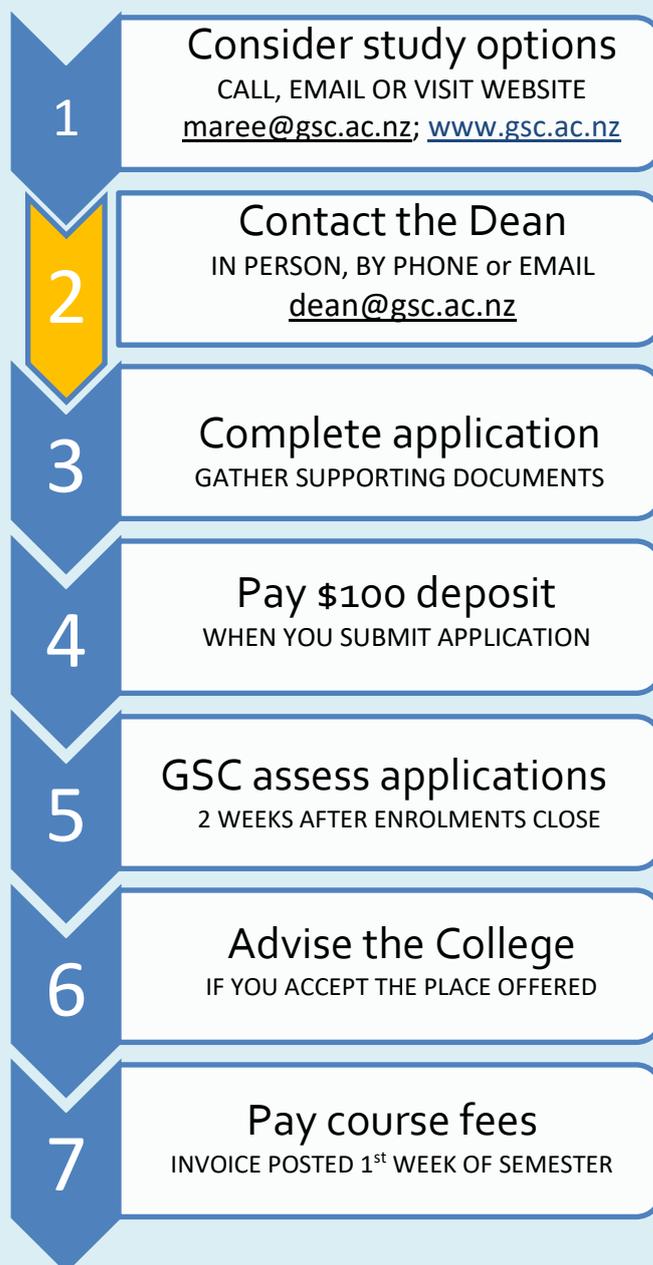

A week after the date that enrolments close we'll let you know if your application has been successful.

6. Advise registrar@gsc.ac.nz if you accept the place offered.

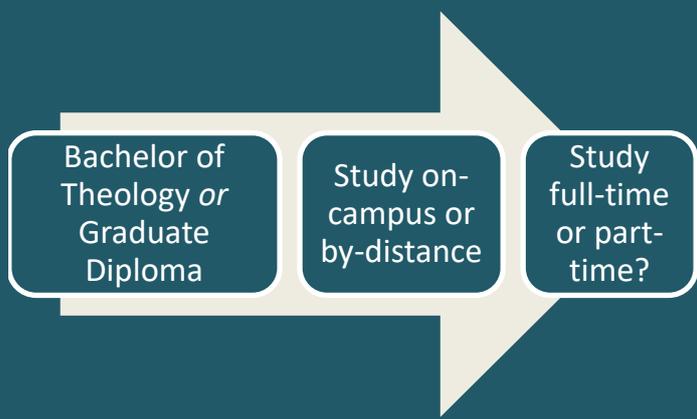

7. Pay course fees

In the first week of the semester the College posts invoices outlining total fees to be paid (including a Late Enrolment Fee if you enrolled after the closing date).

APPLICATION PROCESS FOR NEW STUDENTS

WHAT ARE MY STUDY OPTIONS?

Good Shepherd College offers two awards.

1. Graduate Diploma in Theology (*GradDip*)
2. Bachelor of Theology (*BTh*)

You must be admitted to a programme to take papers. If you want to complete individual papers and are not interested in working towards a full qualification, this is not an option at Good Shepherd College.

PAPER OPTIONS

The same selection of papers (*outlined on page 12*) are available for both the Bachelor of Theology and the Graduate Diploma, for both full-time and part-time students.

Special Note

- Pay attention to the mode of study the paper is being taught by. For example, is the paper of interest being taught on-campus only, by-distance only or in both modes?
- Papers are completed each semester, with two semesters a year.
- If you want to complete individual papers but not a full qualification, this is not an option at Good Shepherd College.

How many papers am I able to take?

To ensure your paper selection represents a reasonable workload there are limits to the number of papers students can take each semester. Refer to the table below.

TABLE 1: MODE OF STUDY

	On-campus	Distance
<i>Part-time</i>	1, 2 or 3 papers per semester	1 or 2 papers per semester
<i>Full-time</i>	4 papers per semester	Not available

FEES FREE STUDY

Check to see if you're eligible

The government has announced details of its policy of fees-free study for students new to tertiary education. They've set up a website to help you find out if you are eligible.

www.feesfree.govt.nz

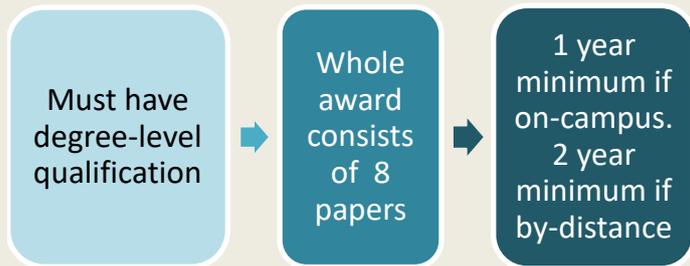

Make sure you have your National Student Number (NSN) handy. If you don't have your NSN the website will tell you what you need to do to get one.

What do the free fees cover?

The government will pay up to \$12,000 in fees to cover tuition, associated mandatory fees and compulsory student-service fees, for the equivalent of one year of full-time study (typically 120 credits). If you are studying part-time, you can spread this out over a longer period. If your fees are more than \$12,000, you will need to pay the difference.

Answers to [frequently asked questions](#) can be found on the Fees Free site at

1. GRADUATE DIPLOMA IN THEOLOGY

The Graduate Diploma in Theology requires the completion of eight papers that takes at least one further year of full-time study or the equivalent part-time. In NZQA speak it is a level 7 award of 120 credit points.

The Graduate Diploma is an undergraduate diploma – it is not postgraduate. It can also be added as a further qualification for those who have a Bachelor of Theology degree.

Admission Criteria and Recognition of Prior Learning

The Graduate Diploma requires you to hold a bachelor's degree as the entry requirement. Studies beyond that entry requirement may qualify for recognition of prior learning.

On your enrolment form you will be asked if you have done previous tertiary studies.

Provide the details and certified copies of transcripts and check the 'Yes' box after the question "Would you like to apply for credit for previous study?"

This information is considered by the Board of Studies, and they may grant credit for up to two papers. This process is only done for students who are enrolled in the Graduate Diploma in Theology.

Structure of the Graduate Diploma

The Graduate Diploma of Theology is deliberately a very flexible award that requires the completion of eight papers, five of which must be at stage 3.

The Diploma recognises that previous tertiary study enables students to begin with higher level papers without the need for prerequisites i.e. you can select a stage 3 paper without the need to complete the lower (stage 1 or 2) papers.

Any combination of papers can be selected provided you include the compulsory paper T7101, Introduction to Theology (or equivalent). While there is no recommended programme the College encourages some Biblical Studies papers. Read more about the structure of the diploma on the next page.

Good Shepherd College is open to all students who wish to study theology (and its related disciplines) in the Roman Catholic Tradition. The College offers two awards, the Bachelor of Theology Degree and the Graduate Diploma in Theology that are both accredited by the New Zealand Qualifications Authority (NZQA) and the Australian Commonwealth Higher Education Authority (TEQSA).

The same selection of papers are available in both programmes of study. Papers are taught in the following disciplines; namely Biblical Studies, Christian Ethics, Church History, Humanities, Liturgical Studies, Pastoral Theology and Practice, Philosophy, Christian Spirituality and Theology.

The College encourages students to include some Biblical Studies papers.

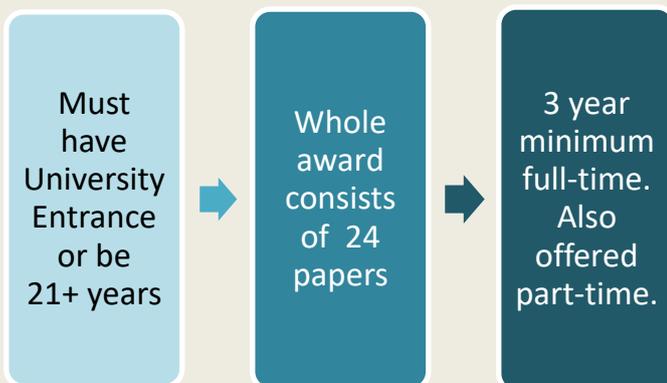

STRUCTURE OF THE BACHELOR OF THEOLOGY DEGREE

It's important to understand the structure of your programme of study to ensure you choose papers that meet programme requirements and your study interests. This also avoids finding out later that the papers you completed cannot be counted towards your degree.

The Planning Chart on the next page shows you what the rules are for the Bachelor of Theology degree.

Be sure to take a close look at the subject area (e.g. Theology) from which you select your papers and the study level of each paper.

2. BACHELOR OF THEOLOGY

A Bachelor's degree takes a minimum of three years to complete. In NZQA speak it is a level 7 award of 360 credit points or 24 papers.

A full-time student does 120 credits in a year. That is four papers each semester. All of our papers are the same size, 15 credit points. 4 papers x 15 credits = 60 credits in a semester. There are two semesters in a year 60+60=120 credit points.

Part-time or distance students will take longer to complete the degree. Refer to the mode of study table on the previous page for more details.

Admission Requirements

Available to candidates who have attained university entrance or are 21 years or over.

Paper selection

Care must be taken to select papers that satisfy the strict requirements outlined in the planning chart on the next page.

The Bachelor of Theology is a structured degree that consists of 24 papers.

As part of your degree you will need to complete two majors and one sub-major.

It is important to understand the components that make up the structure of the degree and how they fit together when you plan your studies, particularly when selecting your Second-Major.

The regulations require students to:

1. Take Theology as a Compulsory First-Major

- Complete 6 papers to achieve the major.
- Complete not more than two stage 1 papers e.g. T71XX. At least one stage 3 paper e.g. T73XX

2. Choose a Second-Major

- Choice of either Humanities in the Christian Tradition (*Option A*) or Christian Life and Ministry (B).
- 6 papers are required to complete the Second-Major you choose.
- Refer to the numbered points on the chart over page for regulations on paper selection to achieve the second major.

3. Take Biblical Studies as a Compulsory Sub-Major

- 4 papers must be completed at the study level specified on the next page.

BTH STUDY PATHWAYS

Bachelor of Theology

A Bachelor of Theology degree requires you to have certain subjects in it.

1. Theology (also called Systematic Theology) is a bit like advanced Religious Studies. You have to do six theology papers to complete your compulsory First-Major. Shown below is a study pathway for Theology.
2. You also need to know about Scripture. So you have to do four Biblical Studies papers to complete your compulsory Sub- Major. The study pathway for Biblical studies is shown on the next page.
3. There are a bunch of other subjects from which you choose your Second-Major and this enables you to tailor study to your interests. Refer to the planning chart.

For possible pathways for your Second-Major go to <http://www.gsc.ac.nz/course-papers/>

Recognition of Prior Learning

Can I get recognition for previous academic study?

Yes, on your enrolment form you will be asked if you have done previous tertiary studies. Provide the details and certified copies of transcripts and check the 'Yes' box after the question "Would you like to apply for credit for previous study?"

This information is sent to the Catholic Institute of Sydney who present it to the Student Support and Administration Committee for a decision.

This process can take some months and is only done for students who are enrolled in the Bachelor of Theology.

SELECTING PAPERS

This section assists you in selecting the right papers that meet the requirements of the degree or diploma you're studying towards.

Entry-level papers

In the study pathways you'll notice that the "entry-level" papers are at stage 1. They assume no prior knowledge (well they assume that you have been through secondary school and have University Entrance or its equivalent). There is usually one stage 1 paper in each subject area, often with a title like "Introduction to ..."

Bachelor of Theology Degree

The Bachelor's degree has pre-requisites for papers above stage one .i.e. papers that must be completed before further study in the subject area of interest can be taken. Stage One papers are your starting point. There is usually one stage one paper in each subject area. The stage 2 papers expect you to have done the stage 1 in that subject area.

Graduate Diploma in Theology

The diploma recognises that previous study enables the student to begin with higher-level papers without the need for pre-requisites. You can choose any combination of papers provided you include T7101 and complete five papers at stage 3.

Paper Codes

Paper codes all start with a letter that identifies the sub-discipline they belong to. For example, **B7110** is **Biblical Studies**. All our courses are at undergraduate level i.e. Level 7, the first number e.g. **B7110**. The second number represents the different study levels. **100s** – Stage I or 1st level course, **200s** – Stage II or 2nd level course, **300s** – Stage III or 3rd level course. The last two digits identify each paper

DISTANCE STUDENTS

Good Shepherd College runs a blended learning environment which means that distance learning runs in parallel with the on-campus class.

- Start and finish the semester in step with the on-campus course.
- The class follows the normal semester timetable, including breaks as outlined in the Academic Calendar.
- Students do not need to buy textbooks (*unless advised by the lecturer before they enrol*), as readings are available online as pdfs or e-books.

- It's no longer necessary for course material to be posted as it's available to online in Moodle, the College's learning site <http://www.gsc.ac.nz/moodle2/>
- Distance students are tested and graded just like on-campus students i.e. marked assessment tasks throughout the semester that make up your final grade, possibly including an exam scheduled in exam week.
- All students should expect to complete the course and submit assessment materials within the semester.
- Papers are completed each semester.

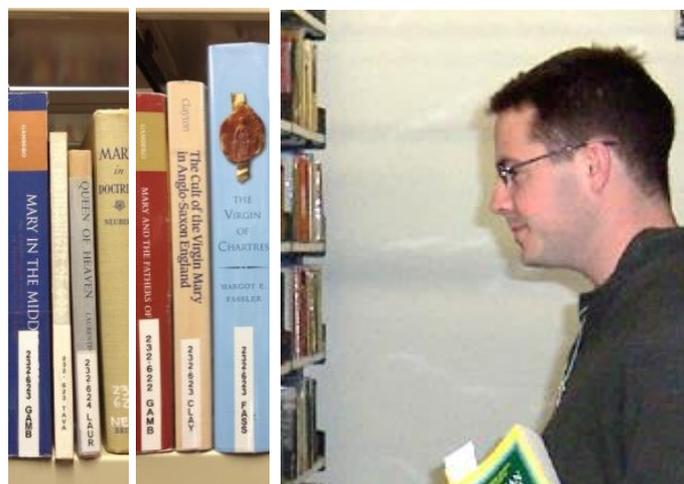

Support from your lecturer

Your lecturers are there to:

- Help you through your coursework.
- Ensure you've understood material.
- Check your progress and provide feedback.
- Mark and return graded assessments.

Always ask for help if you need it.

Your lecturers' details and contact times can be found in the Course Unit Booklet located at the top of every course page in the Moodle learning website.

Extra Support for Distance Students

The Distance Coordinator is there to help distance students succeed by ensuring they are able to connect and engage online successfully when using the online learning site, Moodle. Email support@gsc.ac.nz

Online Attendance

For distance students attendance is met by completing online tasks during the week specified. An Attendance Register is kept by the lecturer who marks the completion of online tasks each week. You can miss *no more* than 2 weeks of tasks otherwise you will fail the paper, regardless of how well you've been doing at assessment tasks.

ACADEMIC EXPECTATIONS

How much time should be set aside?

For each paper, plan for 10 hours per week on coursework and associated study, including 3 hours of lectures each week for on-campus students. (Distance students should allocate 3 hours to reading/watching the lecture notes).

Where do I find the course syllabus?

Lecturers provide the course syllabus in the first week, referred to as the Course Unit Booklet. It outlines course goals/learning outcomes, provides a description of graded assessment work (with due dates) and lists recommended readings.

How do I get hold of learning materials?

Moodle is the College's web-based learning site and each week *both* distance and on-campus students go there to read course material and do tasks set by their lecturer.

To use Moodle all you really need is access to a computer able to run a broadband internet connection and sufficient computer skills to:

- Send and receive emails.
- Open word, pdf, PowerPoint, video files.
- Type assignments in Word.
- Reply to the lecturers' questions in either a forum or quiz format in Moodle.
- Hand in and collect your assignment online

Library Resources

GSC students have access to two Libraries.

- The Colin Library - at GSC College
- The Veech Library - in the Catholic Institute of Sydney, Australia

These libraries offer:

- Catalogues
- Print and Electronic Books
- Print and Electronic Journals
- Databases

How are courses assessed?

Papers are completed each semester.

There are usually three marked assessment tasks each semester that make up your final grade – although some courses may have four.

Graded assessment tasks may be:

- Internal assessment only (e.g. essay, critical review, presentation) that are scheduled throughout the semester.
- A combination of internal assessment during the semester and an examination held in exam week at the end of the semester.

If exams are part of your assessment, it's essential that you are available to sit them on the day they're scheduled within exam week. Refer to the Academic Calendar.

What if I miss a few lectures or weekly tasks?

While there is leeway to miss a few lectures (or online tasks if you're a distance student), students who do not meet the **minimum 80% attendance requirement** will fail the paper, regardless of how well they have been doing at the assessment tasks. This is one of the requirements placed upon Good Shepherd College as a government-funded Tertiary organisation.

On-campus students are to be present for at least 29 hours of lectures i.e. absent for *no more* than 7 hours of lectures.

Distance students need to complete at least 10 (out of a total of 12) online tasks in the week their lecturer set them. i.e. miss *no more* than 2 weeks.

Refunds and Withdrawals

Withdrawal from a course occurs when a student's circumstance is such that s/he cannot study and anticipates no change in the circumstance in the foreseeable future.

This provision allows the student to withdraw from the course and to re-enrol when circumstances are more favourable.

A student may withdraw without penalty from a course only if the notice of withdrawal is received by the Registrar of Good Shepherd College by **4.00pm** on the **last date of withdrawal without penalty** as specified in the Academic Calendar.

After that date the normal outcome of a withdrawal is to receive a fail grade.

Application can be made by the student to the Sydney College of Divinity if there are grounds for a compassionate acceptance of the withdrawal.

If the withdrawal occurs up to 4.00pm of the final date of withdrawal, the course unit fee will be refunded (less the enrolment deposit fee).

STAFF CONTACT LIST

There are many ways to access academic support while you study at the College.

Support from your lecturer

Your lecturers are there to help you through your coursework, make sure you have understood the study material and monitor your progress.

Your lecturer to you in the online learning site, Moodle details will be advised for each course you enrol in. Your lecturer will mark your assessments, check your progress and provide feedback. Your lecturer also selects your course material, including essential reading and makes this available.

If there is something you don't understand or if you want more feedback, contact your lecturer. Always ask for help if you need it.

Contact times for lecturers vary and can be found in the Course Unit Booklet located at the top of every Moodle Course Page. If you find your lecturer is not available when you contact them, leave a message and they will get back to you as soon as they can.
