

Student Guide 2019

GOOD SHEPHERD COLLEGE
TE HEPARA PAI 

Semester One 2019

USING THIS HANDBOOK

The first half of this handbook outlines what is expected of you while you study at Good Shepherd College and provides useful information on how to access academic and study support.

The second half covers how students get hold of course materials. In a nutshell, the lecturer selects the course material and makes it available to you in Moodle, the College's online learning website.

To access course material you'll need to learn how to use Moodle. Specifically you'll need to learn how to open course material and readings, reply to the lecturers' questions in a forum or quiz, hand-in and later collect your assignment online. Access to Moodle is available from the first day of each semester.

Course information does not need to be posted to students or handed out in lectures as everything you require is waiting for you in Moodle. Nor do students have to buy textbooks (unless specified otherwise by your lecturer at the time you enrol), as readings are available on Moodle as pdfs or e-books.

The College is located at Good Shepherd College, 20 Ponsonby Road, Auckland 1011

Postal address: PO Box 3440, Auckland 1140

Library Access

The opening hours to the Colin Library are 8.30am to 4.30pm, Monday to Friday during the semester. Over the breaks opening hours reduce to 10am to 4.00pm.

Free WiFi on-campus

You can log into the College's secure WiFi when using your own computer or phone on-campus once you have setup your login details with the Office Manager, Karen Cairney.

Important Dates in the Academic Calendar

You will notice that the year is split into two semesters, with 12 teaching weeks in each semester. There are no lectures for on-campus and distance students over the semester break, assignment, study and exam weeks.

Distance students start and finish the semester the same as the on-campus students, and courses are completed each semester.

Teaching periods

Three hours of lectures are scheduled for a course each week, usually made up of one single lecture and one double (2 hour) lecture - although there can be exceptions. Lectures are normally 1 hour in duration.

Compulsory Attendance

GSC expects all on-campus students to attend all lectures and engage in all class activities and distance students to do all on-line tasks in the week they are set. Lecturers marks the attendances of all students.

A minimum attendance of 80% is required in order to pass a course, regardless of the marks received for graded assessments.

The minimum 80% attendance rule is:

On-campus students must attend at least 29 hours of lectures i.e. absent *no more* than 7 hours – each course has 36 hours of lectures.

Distance students must complete at least 10 weekly online tasks i.e. miss *no more* than 2 weeks – each course has 12 weeks of tasks.

Weekly Online Tasks

All students are expected to put time into completing the weekly tasks set by the lecturer. *For distance students* attendance is met by completing the online tasks each week, during the week specified.

Workload Requirements

Study Plan: Spend 10 hours a week for each course:

- **3 hours lectures each week for on-campus students. Distance students spend 3 hours reading, completing all online tasks**

PLUS:

- **Expect to spend 7 hours each week on personal study incl. completing assessment tasks**

Course syllabus and due dates

Lecturers provide students a course syllabus on the first day of lectures as part of the Course Unit Booklet. It outlines course goals, learning outcomes, a description of all graded assessment work with due dates and a list of recommended readings.

USEFUL THINGS TO KNOW

Access to Learning Materials

All students use *Moodle* (the online learning platform) to access course information.

You can access the *Moodle* from any computer, tablet or smartphone with an internet connection by going to www.gsc.ac.nz/moodle2/

To access the course via the *Moodle* means:

- Students do not need to buy textbooks (*unless advised by the lecturer before you enrol*), as readings are available on *Moodle*.
- Lecturers do not need to hand out printed course material to on-campus students in lectures.
- It is not necessary for course materials to be posted to distance students as it is already in your *Moodle* course page.

The College provides new students with a username and password to access *Moodle* before the semester begins, along with some basic instructions on how to use *Moodle*. Our Student Co-ordinator at support@gsc.ac.nz provides support to your questions.

USEFUL THINGS TO KNOW

There are many ways to access academic support while you study at the College.

Support from your lecturer

Your lecturers are there to help you through your coursework, make sure you have understood the study material and monitor your progress.

Your lecturer details will be advised for each course you enrol in. Your lecturer will mark your assessments, check your progress and provide feedback. Your lecturer also selects your course material, including essential reading and makes this available to you in the online learning site, Moodle.

If there is something you don't understand or if you want more feedback, contact your lecturer. Always ask for help if you need it.

Contact times for lecturers vary and can be found in the Course Unit Booklet located at the top of every Moodle Course Page. If you find your lecturer is not available when you contact them, leave a message and they will get back to you as soon as they can.

Extra Support for Distance Students

The Distance Coordinator is there to help distance students succeed by ensuring they are able to connect and engage online successfully when using the online learning site, Moodle.

Support for International Students

Mons. Brendan Daly can provide practical guidance or advice, and can help you with any issue, concern or complaint. If your complaint is not resolved, contact the NZ Qualifications Authority. You can submit your complaint query on the NZQA website, or send an email to gadrisk@nzqa.govt.nz

USEFUL THINGS TO KNOW

Computer setup required

All you really need is access to a computer connected to the internet, with a sound and video card with speakers or headphones.

Ensure you have the most recent version of the browser you use. For best web page access compatible with Moodle we recommend **Firefox**. Moodle will also operate with other browsers but some features may not work as intended. Instructions for browser settings are available by going to the web addresses below.

Figure 1: Browsers

Firefox help:

<https://support.mozilla.org/en-US/products/firefox>

Chrome help: <https://www.google.com/chrome/>

Internet Explorer:

<https://www.microsoft.com/en-us/download/internet-explorer.aspx>

Safari: go to **Safari > Preferences**. The settings are located on the *Security* and *Privacy* tabs.

Computer skills required

Students require sufficient computer skills to:

- Get to their course page/s in Moodle
- Open files left by their lecturer
- Reply to the lecturers' forum questions
- Upload and collect assignments online

Software requirements

To view course materials you'll need to ensure you have up-to-date versions of the following software installed. You can download software by going to the websites below:

- ✓ Microsoft Office (Word, PowerPoint), or a free equivalent such as Open Office.
<http://www.openoffice.org/>
- ✓ Many courses use Adobe PDF's that require the free Acrobat Reader software.
<http://get.adobe.com/reader/>

Figure 2: Required software

- ✓ Some courses use streaming media that require a recent version of Adobe Flash Player available free at <http://get.adobe.com/flashplayer>

Anti-virus software

It's recommended that you have the current version of one of the better antivirus programs as you will be both adding (uploading), and getting (downloading) many files from the College's Moodle website, which may make your computer vulnerable to viruses.

Norton, McAfee and AVG (a good free version) are a few of the main companies that offer protection against viruses.

Finding out about Graded Assessments

There are three marked assessment tasks which make up your final grade that are usually made up of:

- Internal assessment throughout the semester (e.g. essay, critical review)
- Final examination, either written or oral in exam week.

Refer to the Course Unit Booklet for details including assessment type, due dates and the percentage that each assessment task contributes to your final grade.

Keep Exam Week free to sit exams

If exams are part of your assessment, it's essential that you're available to sit them on the day on which they are scheduled within exam week. Refer to the Academic Calendar on the back page for dates.

Become familiar with Oral Exam Procedure

An oral examination is a common assessment type used at the College for the third assessment. It is a formal meeting between a student and the lecturer for the purpose of examining the student's knowledge of the course subject matter and awarding a grade.

There is always another faculty member in attendance to ensure that correct procedures are followed and that the examination is appropriate and fair. The associate does not normally say anything as their main role is as a witness.

Each student is assigned an individual time slot for their oral examination. Distance students have the option of conducting their oral exam by phone/Skype or in-person at the College - but must commit to a specific time. Students will find information on the length of the oral examination in the Course Unit Booklet provided at the beginning of the semester and also available online in their Moodle Course Page.

The course lecturer will provide a list of examination topics to students at least one week before the exam. Students will be tested only on topics from that list.

Prior to the exam, lecturers may indicate how they will conduct the oral examination.

All lecturers are different so please ask.

A common technique that lecturers' use is to tell students that:

- They have the choice of the first topic
- The first question on a topic is always "Tell me something about this . . ."

In other words, the student is expected to have something prepared on each topic so they can at least begin a conversation about it. The idea is to get you talking and relaxed. It is usual for a lecturer to question you on your chosen topic, and then introduce a second topic from the list of topics.

There is also a good rundown on oral exam rules and procedures in a one page summary sheet provided with the exam schedule that's published after assignment week.

HOW TO ACCESS COURSE MATERIALS IN MOODLE

How do I get to the Moodle website?

You can access Moodle from any computer, tablet or smartphone with an internet connection by going to the web address www.gsc.ac.nz/moodle2/

All you need is a computer with a web browser installed and an internet connection. It's recommended that students refer to the minimum requirements outlined on page 10 to check that their computer is set up to run Moodle effectively.

Figure 3: Moodle web address

Access: Students can access Moodle on the first day of lectures.

Your Username and Password

The College provides **new students** a username + password.

The username is your surname followed by the initial of your first name e.g. smithj (*no spaces, all lowercase*).

The password is **Password1**. When you first login as a new student you'll be prompted to choose a new password.

Returning students use their same username and password throughout their College years.

How do I login to Moodle?

Every time you type in the web address the screenshot in *figure 5* on the next page is the first page you'll see – the Moodle Home Page.

Look for the login block on the top-right of the screen as shown in figure 4 below.

Enter your username and password then press the 'Log in' button.

Figure 4: Moodle Login block

You will know that you have successfully logged in when a box automatically appears showing your name and photograph.

Forgotten your password or require help?

If you've forgotten your password click on the **Lost Password?** link and follow instructions.

For assistance email Louisa Rani support@gsc.ac.nz

FINDING YOUR WAY TO COURSE PAGES

When you first visit Moodle you will see that courses are listed in the middle section of the Moodle Home Page. Take a moment to look at figure 5 below which is a screenshot of the homepage.

One way to get to your course page is by clicking on the name of the course and it will take you to its course page where you will find learning materials and activities your lecturer has selected.

Figure 5: Moodle Home Page

Another way of getting to your course page is to click on the down arrow at the top-right of your screen next to where your photo appears (as shown in figure 6).

Navigating around Moodle: A good way to navigate around the Moodle website is to use the 'breadcrumb trail' The example below shows the pages passed through to get to the current screen, S7102 course page.

[Home](#) > [My courses](#) > [Spirituality](#) > [S7102](#)

In this example you can find your way back to a page you had been to earlier by clicking on a keyword in the breadcrumb trail. e.g. My courses. Another way to go back one page is to click on the arrow at the top-left of the page next to the web address (see below).

COURSE PAGES

What can I expect to see on Course Pages?

General Course Information is at the top of the page (*figure 7*). This is where the lecturers post any course news and announcements, together with the Course Unit Booklet which gives information about the course.

Online Assignment Block (*Figure 8*). Here you will find information on your upcoming assignments. It is also where you hand-in your assignments and later look for the return of marked assignments.

Weekly blocks (weeks 1 to 12) Contain course material as shown in *figure 9*. A course can contain a range of resources the lecturer has selected. These can take various forms e.g. word documents, images, video, web links, pdf files, PowerPoint presentations. Your lecturer may also include a number of activities to help consolidate your learning, most commonly forums and quizzes.

Side blocks often contain eBooks and even a glossary of terms for your course.

What if I can't see the current weeks learning materials?

Your first step is to contact your lecturer. The expectation is that lecturers make the current week's course page visible by 9.30am each Monday. If you are having difficulty contacting them, email Louisa at support@gsc.ac.nz

Forum 

Forums are a great way for lecturers and students to communicate. For example, your lecturer may ask you to think about a question they pose and contribute your ideas in the answer you post to the forum.

Chat Rooms 

A chat room is a way for students to have live discussions online with your lecturer and/or fellow students.

Participate in a Forum

1. Forums have an icon that looks like 2 speech bubbles.
2. Click on the **title of the discussion** topic to open it.
3. A screen will automatically appear that looks like *Figure 10*. Click the **Reply** button.

Figure 10: Forum question

4. A new screen (*figure 11*) will come up that reveals a:
 - **Subject** box to type in a title
 - **Message** box to type in your response to the lecturers question with editing tools that are similar to what you are familiar using in Microsoft Word.

Figure 11: Message Box in a forum

While there is the option for students to attach a file, lecturers prefer students to type into the message box as it makes it easier to see responses on one screen.

5. When you are finished typing your message and are ready to 'post' it online for the lecturer and students to see, **click** the button at the bottom of the page, **Post to forum**.

Post to forum

Chat Rooms

When you click on a Chat Room link e.g.  T7231 Chat Room You will be taken to a window where you can chat to other people in the course. This is "live" so you need the other person to go into the chat room at the same time. You may have to message them to invite them to join you. To message them, click on the down arrow at the top-right of your screen next to where your photo appears (refer to Figure 6, page 13). Select 'Messages' from the drop down menu. A new window will open where you write your message.

DISTANCE STUDENTS CAN CHECK THEIR ATTENDANCE

Attendance Badges

In an effort to make it easier for students to keep track of their attendance, badges have been added in the Moodle for courses with a distance student.

Distance students must earn at least 10 out of 12 badges during the semester to meet the minimum attendance requirements.

When the required tasks for the week are completed a badge is awarded and students will receive email notifications about their badge awards. If a badge does not appear check what task/s are outstanding requiring your completion.

How to check your attendance badges

1. Log-in to your course in the moodle (found at the top right hand corner).

Log in

2. Once in the moodle, click onto the course that you want to check your badges.

3. Click on the down arrow next to your picture in the top right hand corner, then click onto 'Profile'.

4. The screen will display your user and course details. Notice the badge section will display all the badges issued to you, and for the courses that you are enrolled in. You can check the number of badges that you have received for each course, and it is good to note the badges that you have not yet received. (below shows badges 1 – 4 received for T7217).

How to check why you didn't get a badge

1. Log-in to your Moodle course page, go to the particular week where you want to check why the badge is not issued (example below for Week 2)

23 July - 29 July

Week 2 - II What is the Church?

Notes

II What is the Church?

What is the Church? On line students

Required Reading

Thomas Rausch - Towards a Truly Catholic Church

2. Notice the dotted box on the right of each moodle task. A dotted box next to a task means that task must be completed by the distance student as is an attendance requirement, hence a criteria for earning a badge. If it is ticked means you have completed the task. If it is not ticked means you have not completed the task.
3. Complete the task, by clicking on the task, and the dotted box will be 'ticked' off systematically and a badge will be eventually issued to you.
4. A box that does not have 'dotted' lines means the task is not necessary for achieving a badge. However, students are still encouraged to attend to these tasks and can manually tick off the box once the task is completed.

SKILLS TO MASTER: Handing in assignments online

Where do I hand in my assignment?

Assignments are handed in/submitted via the Learning management System, Moodle. Specifically in the assignment block of your Course Page.

You are responsible for submitting your assignments in on time.

Penalties apply for late assignments.

Can I get an extension?

To request an extension complete the **Request for Extension form** online. You'll find this form in your Moodle Course Page.

Click on the title (*shown below*) and follow the instructions that

[Request for Extension of Time for an Assessment Task](#)

Extension requests will be considered as long as they have been lodged at least 24 hours before the assignment is due, and for a compelling reason.

A compelling reason is an external factor (bereavement, illness with a doctors certificate), or a factor beyond the student's control and not known in advance.

You will be advised of the outcome by email.

Handing in Assignments Online

You're required to hand in your assignments in Moodle.

1. Go to your Moodle Course Page and scroll down to the Electronic Assignment Submission block. You will see something like the screenshot in figure 12.

SKILLS TO MASTER: Collecting marked assignment online

When can I expect marked assignments to be returned?

Lecturers aim to return marked assignments TWO weeks after the assessment task was due. If concerned about delays, please contact your lecturer. You will receive email notification from your lecturer when your marked assignment is ready to collect in Moodle.

What happens if I hand in my assignment late?

A penalty of 5% of the value of the task will be imposed per day for up to five days (including weekends and holidays).

Assignments that are handed-in without an approved extension beyond 5 days after the due date will receive a zero mark and NOT be annotated by the lecturer.

When will I receive my final grade?

The final overall grades go through an accreditation process that takes about three-four weeks before you receive them.

Good Shepherd College hold an Examiners' meeting 2 days after the exams. The results are forwarded to the Catholic Institute of Sydney that same week for their assessments. After their Assessment Review Committee meeting, the results are forwarded to the Sydney College of Divinity for approval. The results are then released to the students once approved.

Where to find your marked assignments

You will receive email notification from your lecturer when your assignment is ready for collection online in Moodle.

1. Go to the Online Assignment Submission area in your Moodle Course Page i.e. the same place where you hand in your assignment.
2. Click on the title of the assignment task.

Need help? In the first instance please contact your lecturer. Your lecturer's contact details can be found on the first page of the course unit booklet that is located in your Moodle Course Page. For further assistance email Louisa Rani at support@gsc.ac.nz

Frequently asked questions on course planning and fee payment

Who do I go to for support in planning my programme of study?

Holy Cross seminarians contact Br Mark McKeon FSC at the Holy Cross Seminary, or phone (09) 360 6754 or email pastoral@holycross.org.nz

All other students contact Fr Merv Duffy dean@gsc.c.nz

What if I don't like the course I'm taking or am not keeping up with the workload?

Students are encouraged to talk to their lecturer's for guidance. If not, depending on how many weeks you are into the semester, you may have the option to change courses or withdraw from a course.

What is the deadline for changing my course/s?

You can withdraw from, or change courses **by advising the Registrar** by email at registrar@gsc.ac.nz before the deadlines.

The following CANNOT be accepted as a formal notice of changing your courses:

- Not paying your fees
- Ceasing to attend lectures
- Verbally advising a member of staff

If withdrawing from *all* the courses you are enrolled in the semester, the enrolment deposit fee will not be refunded, and you will also be asked to complete a Course Withdrawal Form provided by the Registrar.

Failure to notify the Registrar could result in the following:

- A fail grade on your Academic Record.
- No grade for the paper studied because you are not formally enrolled in.
- Invoiced for enrolled papers you did not study.

You are advised to seek advice from StudyLink www.studylink.govt.nz to discuss the implications that changing your enrolment may have on your entitlement to financial support. Particularly if you are dropping papers and rely on income from StudyLink that is based on you maintaining your full-time status.

If you are an international student, find out whether dropping a course has implications for your Study permit Visa. You can also contact Mons. Brendan Daly for guidance. brendan.daly@xtra.co.nz

Can I withdraw after the deadline?

As the Bachelor of Theology and Graduate Diploma awards are both NZQA and TESQA accredited these deadlines are unable to be extended.

If you withdraw after the deadline dates (refer Enrolment Deadline dates schedule below) you will receive a fail grade and will not be refunded your course fees. For these reasons, try to persevere to complete and pass the course if at all possible. Changes to your programme next semester can be made if necessary.

When are course fees due?

The Finance Manager will post an invoice for course fees in the first week of the semester. *If you enrolled after the date enrolments closed a **Late Enrolment Fee** will be part of the invoice.*

Frequently asked questions on preparing for the new semester

How should I prepare for study?

PREPARING FOR COLLEGE CHECKLIST

- ❑ Read your Course Unit Booklet and make note on the assignment dates, your lecturer's contact details and consultation hours.

A copy is provided by your lecturer on the first day of lecturers and can be found at the top of your Moodle Course Page.

- ❑ Read the 'Student Writing Guidelines' and 'A Beginners Guide to Plagiarism' that outlines everything you want to know about writing and referencing properly at the Good Shepherd College.

A link to it can be found at the top of your course page in Moodle, and also in the All Student Common Room in Moodle.

- ❑ Learn how to use the Library. Do it early, not when your assignment is nearly due. Learn how to access online readings (eBooks and ejournals). Talk to the librarian at any time during opening hours on 09 361 1053, or email library@gsc.ac.nz
- ❑ If you are studying on-campus, visit the Office Manager, Karen Cairney to get your password and instructions on how to connect successfully to free wifi access on-campus. Also set up printing on-campus.

- ❑ Check your computer meets minimum requirements to run Moodle effectively as outlined on page 10.

- ❑ Successfully login to Moodle – as per instructions on page 12.

The College provides new students a username and password.

Returning students use their same username and password throughout their College years.

If you have forgotten your password click on the Lost Password? link in Moodle or email your Student Support support@gsc.ac.nz

Frequently asked questions in the first few weeks

What time do lectures start?

Lectures are normally 1 hour in duration, commencing 9am, 10am, 11am, 1pm, 2pm, and 3pm.

Lectures begin 5 minutes after the hour and conclude five minutes before the hour.

Each course has 3 hours of lectures each week made up of 2 teaching sessions: a one-hour lecture and a double-hour lecture each week. Some courses may be taught as a 3-hour teaching session.

How much time should I be devoting to study?

For each course, plan for 10 hours per week on course work and associated reading:

- 3 hours are allocated to class time i.e. on-campus lectures or studying lecture notes, powerpoint presentations or DVD's if a distance student
- 7 hours to personal study including assessment tasks.

What if I'm having problems with a course?

- Your first step is to make an appointment with your lecturer. Your lecturer can help with how you might address the problem you're experiencing.
- If you are falling behind on your course work or your assignments, seek help immediately!

What if I'm having difficulty contacting my lecturer?

You also have the option of talking to Fr Merv Duffy, duffy@gsc.ac.nz

Who do I advise if my phone number or email has changed since enrolling?

Keep your contact details up to date so you don't miss out on key information. Email the registrar@gsc.ac.nz

Where do I find out more about the course syllabus?

Your lecturer will hand out a Course Unit Booklet in the first lecture and also make it available at the top of the Moodle course page.

Having a syllabus is very helpful because you can see what is expected of you for the entire semester including course goals, learning outcomes and graded assessment tasks.

What do I do if I have questions from a lecture or about the course materials?

Raise questions at your lecture – someone else may be thinking the same.

Ask your lecturer at the end of the lecture or request a time to talk in their office.

If a distance student, send your lecturer an email or post your question in a forum.

How will I know how I'm doing if my first assignment isn't due back until half way through the semester?

You will have some idea of your progress before you get feedback on your first assignment if you have been actively:

- Keeping up with your lectures and readings
- Participating in forums and/or quizzes where the lecturer provides feedback
- Contact your lecturer if you have questions on your academic progress.

Frequently asked questions from distance students

Can you give me some more information on how distance will work?

- Distance students start and finish the semester the same time as the on-campus students.
- Courses are completed in a semester.
- **Each week** distance students are expected to engage with the learning materials and complete the online tasks set out by their lecturers.
- The lecturer is your first point of contact. He/she will guide you through what you are expected to do each week.

For each course plan for 10 hours a week on coursework and associated study.

- **Three hours** to read lecture notes or watch the lecturer's presentations.
- **Seven hours** each week on personal study including reading, and completing assessment tasks.
- **Each semester** distance students are expected to complete all graded assessment tasks.
- **An Attendance Register** is kept by the lecturer who marks the completion of online tasks each week.
- Please keep in mind that you can miss *no more* than 2 weeks of tasks. Students who do not meet the minimum attendance requirement of 80% (or 10 weeks) will fail the paper, regardless how well they have been doing at the assessment tasks.

How do I get hold of the learning materials?

Learning materials are produced by the College and accessed from *Moodle*, a web-based learning site www.gsc.ac.nz/moodle2/

The College provides new students with a username and password before the semester begins.

Basic instructions on how to use Moodle are found on pages 10 - 15 of the Student Guide.

A practice page called 'All Students Common Room' is also available in Moodle to assist students in becoming familiar with how Moodle works and to learn how to:

- Open files left by their lecturer
- Reply to the lecturer's forum questions
- Upload and collect assignments online

The use of the Moodle website means:

- Students do not need to buy textbooks (*unless advised by the lecturer before you enrol*), as readings are available on Moodle as pdfs or e-books, and library books can be searched for and loan requests made by using the online catalogue.
- Lecturers do not need to hand out printed course material to on-campus students in lectures.
- It is not necessary for the course materials to be posted to distance students as it is made available in your Moodle course page.

I have a problem with Moodle, what do I do?
