Recent changes – adding a biographies section to Church History. We have added a number of relatively short biographies from the People of God Series (<https://litpress.org/people-of-god>).

Adding “Religious Education”, General with subcategories “Art ...” “Fiction”, “NZ” and “Safeguarding”. In the past Theology general & Introduction to Theology had a number of general items added for want of a better place.

The e-books are now arranged according to the division of papers as we teach them. the date above shows the last time anything was added to or changed in this list. Do ask me for help if necessary and please do not change, edit or modify urls in any way. Just copy the title and link as is from here and paste it where you want it.

If you inadvertently do change something, please tell me so as soon as possible. Mark
